

## Capability Statement

**Yellowhouse** is a boutique project management consultancy based in Australia with an eye on the world. We believe in quality. We work with best practice methodologies and training materials. We partner with ethical organisations to deliver effective client solutions. Brisbane is our home base.

**Yellowhouse** specialises in PRINCE2® Training; Strategic Change Management Training (MSP™), program management and project management implementation; project manager mentoring; maturity audits; project health checks and consulting on the delivery of successful projects and strategic programs.

### Principal Consultants:

- **Lizz Robb, MProjMgmt (UTS), BTeach (UniSA), PMP, MPMI.**  
Lizz is the PRINCE2 Lead Trainer with over 20 years project management experience. Lizz was selected as a Reviewer for the new 2009 version of PRINCE2. Lizz is an MSP Advanced Practitioner. She has taught PRINCE2 in Australia, France and Papua New Guinea. Lizz delivered courses for UTS in Sydney and taught PRINCE2 in the Masters in IT degree at Queensland University of Technology. Lizz wrote a chapter on **Project Proposal and Initiation** in the "Gower Handbook of Project Management", 4th Ed, 2008, by Prof J Rodney Turner.
- **Brian Phillips, MProjMgmt (UTS), BA (Adel), PMP, MPMI.**  
Brian is the MSP Lead Trainer and a PRINCE2 Approved Trainer with over 25 years project management experience. He brings a strategic context to implementation of MSP, PRINCE2 and the best management practice suite. Brian has taught PRINCE2 in Australia, France and Papua New Guinea and has taught other methodologies including On-Q for Queensland Transport (2002-2003). He was Program Manager for the International Year 2000 Program for FH Faulding Pty Ltd (1998-2001). Brian is an entertaining conference speaker.

### We are:

- A PRINCE2 ATO, and project management consultants since 1996
- An MSP ATO, assisting organisations to develop capability with managing strategic change
- PMI Members with PMP Certification (Project Management Professional)
- A team of trainers and consultants committed to best management practice.

### We have:

- Trained IT project managers, consulting engineers, government project managers and project managers from numerous sectors in PRINCE2, MSP and PMP courses.
- Mentored the use of the PRINCE2 methodology in a range of organisations and projects since 2002
- Implemented the PRINCE2 methodology in complex environments
- Delivered MSP training since 2006.

### Why Use Yellowhouse?

Yellowhouse is a professional project and program management training and consultancy group which prides itself on its knowledge and application of best practice in portfolio, project and programme management.

We provide trainers who:

- Are PRINCE2 Practitioners and Approved Trainers
- Are MSP Advanced Practitioners and Approved Trainers
- Have Masters degrees in Project Management
- Are Project Management Professionals (PMP) from the Project Management Institute
- Have high exam success rates
- Have a wealth of project management experience
- Believe in delivering individualised and customised training
- Have an excellent track record and would be delighted to provide client testimonials
- Make the training experience as enjoyable as possible, in order to maximise the learning journey!

We bring a wealth of practical expertise to our training and consulting. It is not enough to take our clients through the certification process ... we seek to add value through our involvement in current international trends in project management.
